

GIANTS SLUG AWAY TO VICTORY

New York, Oct. 11 (By the A. P.)—Forcing the issue with the Yankees by powerful work with the stick, the Giants evened the world's series count today, taking the sixth game by the score of 8 to 3. Each club now has won three games, and if the course of the struggle so far is anything to judge by, the battle bids fair to go the limit of nine encounters, with a great contest on the last day for the final honors.

Today's game at the Polo grounds, played in mild autumn weather to a crowd of some 34,000 spectators, took on for a couple of innings the aspect of a battle of home run hitters. Meanwhile, up in the stands, the clamor in a sling, unable to play, sat "Babe" Ruth, the king of all the home runners, a pathetic picture of baffled determination, watching no less than three other men clout the ball for circuit drives before the game was two innings old.

Second Choice of Boxmen

Manager Miller Huggins, as well as his managerial opponent, John McGraw, was forced to a second choice of boxmen early in the game. Huggins' first selection, Harry Harper, the Yankees' only off-side twirler, lasted a little longer than Tony, but he was unable to hold on. Harper got by the first inning creditably, but collapsed in the second, giving away a three run lead with which his team mates had supplied him. Then it was McGraw's turn to choose. He picked the hard hitting Giants took the lead away by main force with the circuit drives of Meusel and Snyder. Meusel's came with one man on the base, and Snyder's followed with but an out intervening. Shawkey went in after another National League batsman, Barnes, had tapped Harper for a single, and worked through until Frank Baker was put into bat for him in the eighth.

Shawkey Unable to Hold Giants

Shawkey took up the pitching burden with the score a tie and after he had retired the Giants, was speedily given a two run lead by virtue of his single and Fawcett's homer. Like Harper, however, he was unable to hold the Yankees advantage. After blanking the Giants in the third, he was found for four hits and four runs in the fourth, while two hits and a pass in the sixth netted the Giants an additional tally.

This was plenty for the National League to win with, given such work in the box as Barnes was supplying. Cheered on by the throngs of Giant rosters in the stands and bleachers from which the exultant shouts for the Yankees in the game's early stages were speedily drowned out, they breezed along triumphantly to victory.

Barnes singled and Shawkey relieved Harper. Burns, the first man to face him, laced a single to right. Bancroft struck out and Frisch fled to Bob Meusel.

In the Yankees' half of the second they forged ahead on Shawkey's single and Fawcett's home run into the left field bleachers. That ended the American League's scoring for the day. No Yankee got farther than second during the remainder of the game.

Giants Won Game in Fourth

The Giants in winning the game in the fourth, made four runs on four hits, a sacrifice, a steal and an error by McNally. The bases were quickly filled on Snyder's and Barnes' singles and Burns' sacrifice. McNally making a poor throw to nail Burns at first. Snyder and Barnes rushed home on Bancroft's single to left. Bancroft was forced at second by Frisch. Burns scoring. Frisch second. Young struck out, and Frisch scored on Kelly's single to right. Kelly tried to steal and was thrown out by Schang. The Giants added a run in the sixth inning. Captain Bancroft singled to left, went to second when Frisch walked and was thrown out at third. Frisch went to second on the play at third. He scored a moment later when Kelly rapped a single to center. "Irish" Meusel ended the inning by flying out. After that only two Giants saw first base, both getting there singles in the ninth inning off Percy. One of them, Young, was thrown out trying to steal.

The official figures for today's game gave the attendance as 34,252. The gate receipts were \$112,334, of which the advisory board's share is \$16,335.10 and the two clubs share \$95,998.80. The players participated in the first five games only.

Put Two Players Off Field.

Umpire McGraw, officiating behind the plate, was the target for considerable verbal sharpshooting from the dugouts, and several of his decisions on balls and strikes apparently failed to give satisfaction.

During the Yankees' fifth inning McGraw stepped over and ordered Catcher Earl Smith from the field. Again in the eighth McGraw stepped over and ordered the batted Ham. Lohr of the Giants, who had been in the game, to leave the field.

Smith already has drawn a fine of \$200 from Commissioner Landis for an infraction of the rules on the field last week.

McGraw Thinks He Has the Edge.

"As a result of today's game I think we have the edge," Manager McGraw said tonight. "I think the Yankees have more capable pitching than our opponents. The pitching gives us the edge. I will not predict that we will win the next two games, but I would be at all surprised if we did. I have a great feeling, however, that we will win the series, and I will say so."

"I am undecided as to whom I will pitch in tomorrow's game. I have Douglas, Neff and Schang. I feel that if Douglas is right I probably will start him, but he has a very severe cold and I have ordered him to see a physician tonight. Whether he will pitch will depend largely upon what he will do back at the Yankees, and I am convinced that if he is right he can defeat them again. Schang, I like to have a chance at them, and Neff is particularly keen to pitch again in the series."

Hard Game to Lose

"It was a bad game to lose, particularly with Mays coming tomorrow, but we lost and it is gone," said Manager Huggins. "There is no sense in talking it over now. The umpiring was fair, but it was 50-50, so there's no sense in kicking about that. Let's hope it is better tomorrow."

"Harper had some hard luck and had to go early. Shawkey had some bad luck, too. But Barnes pitched good ball—so that's all there is to that. It is even now. But we have our ace for the next pair of games. Mays it will be tomorrow. Hopt in the last game."

Huggins seemed to be confident that no more than eight games would be necessary for the Yankees to win the series.

Answer to Judeans

Norwich Bulletin:

In answer to the Judeans' statement, the Greenville Independents claim to state, that the Independents claim the game, on account of the Judeans failing to show up for the last quarter.

And about the riot the Independents did not start it, but it came about through the unclear tackling and sportsmanship of our opponents. Another thing cheating was done on the ten yard lines, at different times. The Independents are still ready for games.

ACADEMY SWAMPED KILLINGLY

13 TO 0 ON CAMPUS

Killingly High Football team fell at the hands of the reconstructed Academy team, yesterday afternoon on the campus, by the score of 13-0.

The two teams seemed evenly matched during the first half but in the latter half N. F. A. easily outplayed their sturdy opponents.

Chase and Capt. Reed pulled off keen ends, their runs averaging 25 and 30 yards.

The first half proved uneventful other than the running of Chase, the new half-back. Chase was shifted from end to half and his playing in yesterday's game will assure him of holding the same position.

During the third quarter N. F. A. showed its colors. They actually fought their way down the field. After they had made two first downs, Chase took the ball and skirted end for 35 yds. 2 feet from the goal line. Boynton carried it over. Shaw kicked the goal.

The last touchdown came in the fourth period after Reed had run the ball 45 yards around end, Williams 9 yard gain through tackle and Boynton's plunge over the line. Shaw failed to kick the goal.

After the second touch-down, Coach McKay tried out his substitutes to find their value. They adapted themselves to the situation and held the Killingly boys throughout the remainder of the game.

For Norwich, Chase, Reed Van Wageningen and Sage started; the
